

ABE7CPA31E

Schneider Electric · ABE7

Connection sub-base for analog input channels, 8-channel

Number of channels

8 analog input

Signal type

Isolated analog input (compatible with Premium PLC)

Control voltage

24V DC

Connector

SUB-D 25

Connection

1/2/3/4-wire sensor support LED status indication

Operating temperature

Not available

Protection rating

Not available

Mounting

35 mm DIN rail clips / screw

Wire cross-section

0.14-2.5 mm² solid, 0.09-1.5 mm² flexible (spring terminals)

Lifecycle

Active (in production, Telefast ABE7 range) (Last verified: 2026-09)
