

STBDAI5260

Schneider Electric · Advantys STB

Standard 2-channel 115V AC isolated digital input module

Module type

Standard digital input module (isolated)

Channels

2

Signal type

115V AC, IEC/EN 61131-2 Type 1, isolated

Isolation

1780V AC field-to-bus

Hot swapping

Yes

Supply voltage

115V AC (via PDM)

I/O base

STBXBA2000 (18.4 mm)

PDM

STBPDT2100 (115/230V AC)

Operating temperature

Not available

Storage temperature

Not available

Protection rating

IP20

Lifecycle

Discontinued (superseded by Modicon X80 range) (Last verified: 2026-09)
