

STBDDI3725

Schneider Electric · Advantys STB

Basic high-density 16-channel digital input module

Module type

Basic high-density digital input module

Channels

16

Signal type

24V DC digital input

Hot swapping

Yes

Supply voltage

24V DC

Communication

Advantys STB distributed I/O island (requires NIM)

Operating temperature

Not available

Storage temperature

Not available

Protection rating

IP20

Lifecycle

Discontinued (superseded by Modicon X80 range) (Last verified: 2026-09)
